6.13 G/L

WHO IS THE HIGHWAYMAN?

Darkness sets in the vineyard and the Highwayman goes to work. A steward of the vines, he sets the tone for each vintage - the mood is serious, tranquil and quiet. Order prevails as a new vintage grows.

WHERE THE HIGHWAMAN ROAM

The heart of the Sonoma Valley lies our primary fruit source. Known as the "Banana Belt" in the region, rich soils and warm weather produce outstanding Bordeaux and other red varietals that allow us to produce our rich, robust red wines.

CRAFTED FOR ENJOYMENT

This is an absolute stunner from the deep royal purple color to the marathon finish. The 18 months in barrel (finished in 50% new French Oak) provides a toasted vanilla ballast to some of the most palate-coating dark chocolaty Cab we've made. The intensity of the mid-palate transforms what was a great Cab into an Ultra-Cab. This powerhouse will impress even the best Cabernet aficionados and comands a Ribeye smothered in a blue cheese compound butter.
