WHO IS THE HIGHWAYMAN?

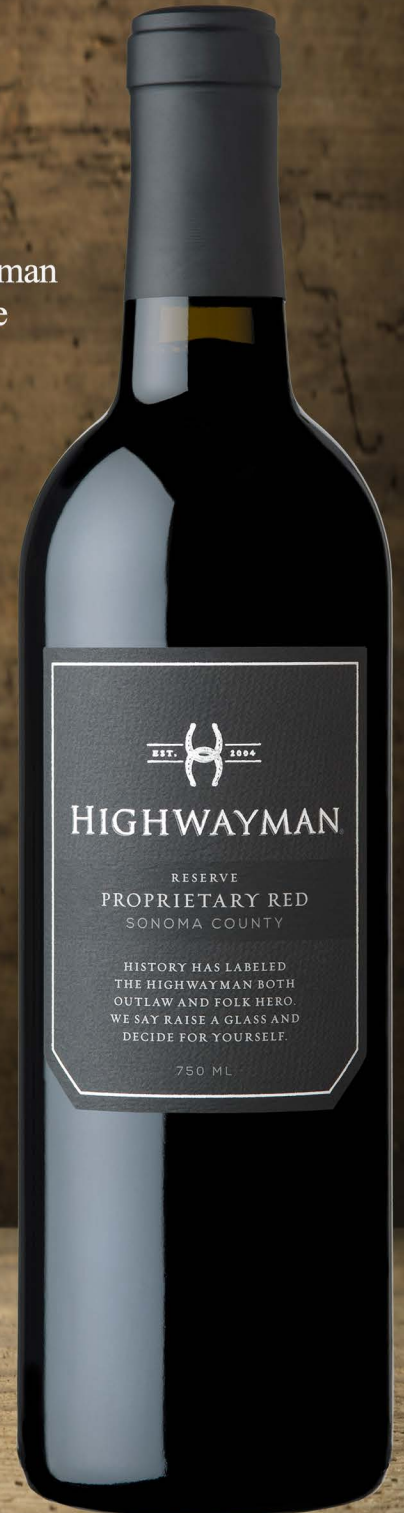

Darkness sets in the vineyard and the Highwayman goes to work. A steward of the vines, he sets the tone for each vintage - the mood is serious, tranquil and quiet. Order prevails as a new vintage grows.

WHERE THE HIGHWAMAN ROAM

The heart of the Sonoma Valley lies our primary fruit source. Known as the "Banana Belt" in the region, rich soils and warm weather produce outstanding Bordeaux and other red varietals that allow us to produce our rich, robust red wines.

CRAFTED FOR ENJOYMENT

This wine transports us to a dark, brooding, yet strangely desirable place. Aged for 18 months in French oak, the blend is dominated by Cabernet Franc, Merlot, and Petite Verdot. Pair with a ripened washed rind cheese. Or grab a Cigar!
