A Cool Place to Grow Grapes:

The Carneros region that spans the southern end of Sonoma County is the ideal location to grow Pinot Noir and Chardonnay. With its long, moderately cool growing season enhanced by cool breezes and lingering fog, this region produces small concentrated Pinot Noir grapes that are loaded with bright fruit and distinct complex flavors resulting in some beautiful wines.

Historic Vineyards

Our Carneros Highway Pinot Noir takes full advantage of three Carneros vineyards, each among the finest the appellation has to offer. Farmed by the Sangiacomo family, growers since 1904, these vineyards represent a Pinot Noir resource unsurpassed anywhere in the region. Their Vella and Green Arces ranches are situated in the heart of Sonoma Carneros adjacent to Sonoma Creek.

Winemaking and Tasting Notes:

Small berries equals intense flavors yielding a Pinot boasting hints of strawberry, and hibiscus on the nose with a dose of sandalwood and cedar. Interlaced with bright fruit, it's perfectly complemented by subtle hints of oak, from our 9 months of aging in French Oak barrels.
