Tasting Notes	<p>Tropical notes, with bright citrus acidity, dried pineapple, apples and soft oak nuances. 100% barrel fermented with 50% Malolactic fermentation makes this wine a well-balanced Chardonnay that will develop with rich lushness over the coming year.</p>	<p>Small berries equals intense flavors yielding a Pinot boasting hints of strawberry, and hibiscus on the nose with a dose of sandalwood and cedar. Interlaced with bright fruit, it's perfectly complemented by subtle hints of oak, from our 9 months of aging in French oak barrels.</p>	<p>Complex, elegant yet powerful, we love the balance of ripe fruit, herbal aromatic intensity, minerality and structural power. Concentrated levels of crème de cassis, chocolate and graphite give way to a full bodied and seamless wine that over delivers year after year.</p>	<p>Blackberry and Blueberry nuances take center stage here, creating room for the supportive tannins and a touch of oak (14. month barrel aged), creating a sturdy balance.</p>	<p>This is an absolute stunner from the deep royal purple color to the marathon finish. The 18 months in the barrel (finished in 50% new French Oak) provides a toasted vanilla ballast to some of the most palate-coating dark chocolate Cab we've made.</p>

The warm climate paired with the geothermal activity beneath (warm soil) makes it ideal for growing Bordeaux varietals that are rich, smooth, and powerful.</p>	<p>Each vintage our Trailblazer provides us with a platform to showcase our appreciation of the giant, somewhat unctuous marriage of Zinfandel and Petite Sirah. A real treat for Zinophiles and people who love big spicy reds! Produced from grapes grown in Sonoma Valleys "Banana Belt" this gem is rich, fat, spicy and ready to pair with rich grilled foods.</p>	<p>Crowned "The Ultra Cab" by us at the winery, this powerhouse will impress all of the Cabernet aficionados you know!
