RESERVE ♦ SITE SPECIFIC

Highwayman Wines are the Reserve Tier for Highway 12 Winery. Each lot harvested from the Serres Ranch in Sonoma Valley is kept separate from start to finish. The best of these finished lots are selected for the Highwayman Wines program. All of these wines reflect the distinct characteristics of the warmest region of Sonoma Valley called "The Banana Belt". This area has the optimum warm climate and warm soils (due to local geothermal activity) for the growth of Bordeaux and other red varietals.
