5.5g/L

Through the heart of Sonoma:

For anyone who has visited Sonoma's Wine country, they will know that Sonoma Highway rolls right through the heart of Sonoma Valley from the town of Sonoma north through some of California's most prestigious vineyard properties. Our Sonoma Highway wines represent the best qualities of this world class wine growing region.

Great vineyard selections:

Since we are so deeply embeded into the Sonoma community, we have lots of friends with vineyards to partner with. This allows us to source fruit from some of the regions most iconic vineyards and produce outstanding wines that reflect the Sonoma vineyards from where they are grown.

Tasting Notes:

Tropical notes, with bright citrus acidity, dried pineapple, apples and soft oak nuances. 100% barrel fermented with 100% malolactic fermentation makes this wine a well-balanced Chardonnay that will develop with rich lushness over the coming year.
