Through the heart of Sonoma:

For anyone who has visited Sonoma's Wine country, they will know that Sonoma Highway rolls right through the heart of Sonoma Valley from the town of Sonoma north through some of California's most prestigious vineyard properties. Our Sonoma Highway wines represent the best qualities of this world class wine growing region.

Great vineyard selections:

Vineyard location and terrior are important to us. When crafting our Sonoma Highway Cabernet Sauvignon, we travel the length of the California Sonoma Highway wine growing corridor through Sonoma Valley sourcing from some of the regions most iconic vineyards. The result is a rich, powerful, and elegant wine that reflects the vineyards from where they are grown

Tasting Notes:

Our 2020 release showcases when depth, strength and elegance meet. Aged in French Oak, this wine has cedary overtones beautifully balanced with rich dark blackberry and cherry fruit flavors that linger on the long, smooth finish.
