Through the heart of Sonoma:

Anyone who's visited Sonoma wine country knows that Sonoma Highway winds through the heart of Sonoma Valley - from the town of Sonoma northward, past some of California's most prestigious vineyards. Our Sonoma Highway wines capture the best qualities of this world-class winegrowing region.

Great vineyard selections:

Vineyard location and terroir are everything to us. When crafting our Sonoma Highway Cabernet Sauvignon, we travel the length of the California Sonoma Highway wine growing corridor through Sonoma Valley, sourcing from some of the region's most iconic vineyards. The result is a rich, powerful, and elegant wine that truly reflects the character of the land where it's grown.

Tasting Notes:

When depth, strength and elegance meet. Aged in French Oak, this wine has cedary overtones beautifully balanced with rich dark blackberry and cherry fruit flavors that linger on the long, smooth finish.
