Through the heart of Sonoma:

Anyone who's visited Sonoma wine country knows that Sonoma Highway winds through the heart of Sonoma Valley - from the town of Sonoma northward, past some of California's most prestigious vineyards. Our Sonoma Highway wines capture the best qualities of this world-class winegrowing region.

Great vineyard selections:

Vineyard location and terroir are everything to us. When crafting our Sonoma Highway Zinfandel, we travel the length of the California Sonoma Highway wine growing corridor through Sonoma Valley, sourcing from some of the region's most iconic vineyards. The result is a rich, powerful, and elegant wine that truly reflects the character of the land where it's grown.

Tasting Notes:

Bright nose bursts with vibrant raspberry, accented by the rich aroma of plums and slight undertones of fresh blackberries. Lively acidity creates a multi-faceted palate that shows off the delicacy of this wine, sending it into a warm finish with subtle tannins. It's a vivid expression of the cooler growing season, where fresh fruit shines and hints of spice and black olive complement -- creating a tailored experience in each sip.
