Vineyard location and terroir guide everything we make.

From the beginning, we have chosen fruit from standout sites across Sonoma Valley, a remarkable corridor of 33 micro-climates spanning just 18 miles from Carneros to Kenwood, with special focus on the central “Bana-na Belt,” where warm days, heated soils, and geothermal influence create wines of concentrated fruit, rounded tannins, power, elegance, and delicious, everyday approachability.

Heritage in every sip!

At Highway 12 Winery, we honor these celebrated growing regions by crafting generous, character driven wines rooted in tradition, genuine quality, and consistent value, ensuring every bottle is approachable to all.
