

HIGHWAY 12

VINEYARDS AND WINERY

ROOTED IN HISTORY, DRIVEN BY PASSION

Tracing its path through the famed Sonoma Valley and Carneros District, Highway 12 is the backbone of Northern California's Wine Country. Since the first plantings two centuries ago in 1825, this corridor has cultivated world-class vineyards and timeless traditions. In 2004 we embraced its name to honor the history, and to craft wines that carry its spirit forward.

ICONIC VINEYARDS

Our wines are crafted from select Sonoma vineyards shaped by coastal fog, abundant sunshine, and the rare soils that define this remarkable region. Each site brings its own character, allowing us to create wines that are honest, balanced, and deeply expressive — classic reflections of place, varietal, and the enduring spirit of Sonoma.

CELEBRATING
22
YEARS

CRAFTED WITH CARE, PRICED WITH PURPOSE

Every bottle of Highway 12 is made with hard work, care, and a deep respect for the customer's experience. From the vineyards we choose to the final blend in the bottle, we craft wines that fit real life: weeknights, celebrations, backyard dinners, and last-minute "bring a bottle" moments. Wines that are generous, approachable, and practically guaranteed to make people smile. Just as importantly, we believe Sonoma wine should remain accessible, which is why we are committed to delivering honest quality and exceptional value without letting excellence drift out of reach.
